*Product/Service Information*

Two Buffalo Construction Supplies was founded in 2007 after having been in the roofing business for 10 years.

We are a value-added distributor of products for the building trade. We not only offer a full line available from the industry's leading manufacturers but we can fulfill most minority participation requirements.

We represent many manufacturers and handle the following products:

**Roofing** — Built-Up, Modified, Single Ply, Shingles, Underlayments, Sheet Metal, Maintenance Programs

**Waterproofing** — Fluid Apply, Membrane, Coatings and Sealants

**Siding, Windows, Doors**

**Floor and Wall Tile** — Granite and Marble
